

BIKE HIRE SERVICE

We are able to provide hired bikes for your Raptor London to Paris Cycle Challenge.

The type of bike available will be a **full carbon road bike with Shimano 105 group set** (or equivalent). We would supply this with flat pedals so you would need to bring your own pedals and shoes. This service must be **booked in advance**.

We will bring the bike to the start of your challenge ready to go and take it off your hands when the ride finishes in Paris.

If you would like to book please complete this form and return it to **charlie@discoveradventure.com**, with payment details for **£250 by 5th June**. Alternatively, you can call the office on **01722 718444**.
