Dear friends and supporters

The Chiltern Action Medical Research Committee were very disappointed to cancel their annual Autumn Fair in Beaconsfield this October. This event has taken place at Hall Barn for almost 20 years. However, we are pleased to announce that we will be holding a VIRTUAL FAIR from 5th October 2020. You will have the fantastic opportunity to buy from 170 Stallholders, many of your usual favourites Stalls as well as lots of new brands. Brilliant Little Brands have got together to create this Virtual Fair. They will be donating 10% of the money you spend to Action Medical Research using our special code **BAMR1**.

Please follow the link www.brilliantlittlebrands.com/amr-beaconsfield

By quoting this code, 10% of the money you spend will be donated to Action Medical Research especially for two weeks from 5th October 2020 and if you use the same code BAMR1 they will donate to us for the next 12 months.

Action Medical Research www.action.org.uk is on a mission to save and change children's lives through medical research, developing treatments, vaccinations and cures and researching into pregnancy complications and stillbirth.

Thank you we hugely appreciate any support you can give at this difficult time.

Best wishes
